

Max Gryaznov

UX/UI designer [Portfolio](#) [LinkedIn](#) verymoko@gmail.com +49 175 950 5546, Leipzig, Germany

I'm an analytical, creative interface designer with a background in racecar engineering and book design. I worked with B2B clients, creating user flows, interaction maps, and high-fidelity mockups. Skilled in web technologies to test and prototype own designs. I want to join an agency or a product, specializing in professional, complex, and social interfaces as a problem-solver and detail-oriented UX/UI designer.

Software programs: Figma, Adobe Photoshop, InDesign, Lightroom, Blender, Unity.

Experience

UX/UI Designer in Smart Campus. Jerusalem, Israel. Remote **05/2023—present**
School and educational management system. B2B.

- Developed the web interface for a new project management app for directors, workers, and interns.
